

Who are the Motor Industry Foundation?

The WA Motor Industry Foundation originated as an idea between the WA Chamber of Automotive Industry and the Motor Trades Association of WA, as a means for the West Australian automotive industry to give back to the West Australian community and promote its philanthropic efforts.

Our primary aim is to assist disabled children and their families by providing them with wheelchair modified vehicles, offering them freedom and mobility which in turn, enhances their lives considerably. It is an area where we have found a significant need in WA, and one in which we are able to draw upon our extensive network to provide essential assistance.

The Foundation receives NO government funding. It relies solely on funds raised via sponsorship, membership, donations in kind and special events such as dinners, auctions and golf days.

The Foundation boasts a number of success stories and is building a solid reputation. We need your help to grow even stronger and help more people in need of assistance.

The Motor Industry Foundation would gratefully like to acknowledge the support and generosity from the following sponsors that will make this event possible.

WA MOTOR INDUSTRY FOUNDATION INC.

FRIDAY 15TH APRIL 2011

TOYOTA CHARITY GOLF DAY

2010 GOLF DAY FUNDED THREE VANS

2011 GOLF DAY TARGET IS FOUR VANS FOR FOUR WA FAMILIES

The Motor Industry Foundation is holding their second Toyota Charity Golf Day at the exclusive and prestigious Lake Karrinyup Golf Club on 15 April 2011. Get a team of four together and help to raise more than \$100,000 for MIF and WA families in need.

The funds from the golf day will go towards the purchase, modification and installation of hydraulic lifts into vans. These vehicles are then provided to assist families with wheelchair bound children.

In 2010 MIF raised over \$75,000 and were able to buy THREE VANS, let's better this total in 2011!

This is a golf day with a difference with "Money Can't Buy" auction items up for grabs and the winning team will win an outside box for 8 people at Patersons Stadium for an Eagles match, including \$500 towards hospitality.

So if you work in or with companies in the Motor Industry, do your bit for your industry charity and support the Toyota Charity Golf Day for the Motor Industry Foundation.
